

HLTAID003

PROVIDE FIRST AID

Making career development easy

OVERVIEW

This course is designed to develop the skills and knowledge required to provide a first aid response to a range of situations including life support and management of a casualty until the arrival of medical or other assistance to meet the requirements for a workplace or personal development.

COURSE STRUCTURE

This course covers:

- ✓ Respond to an emergency situation
- ✓ DRSABCD procedure
- ✓ Social concerns & legalities of first aid
- ✓ Infection control
- ✓ Chain of survival
- ✓ Assessment for unconsciousness
- ✓ Perform CPR procedures
- ✓ Cardiopulmonary resuscitation and assessments
- ✓ First Aid practices to illnesses and issues
- ✓ Convey incident details
- ✓ Participate in debriefing

Entry Requirements:

There are no entry requirements for this course. People must have a reasonable level of spoken and written English to complete assessments.

Students under 18 years of age must provide written permission from a parent or guardian.

Please be aware that training of this nature involves moderate physical activity, including kneeling, bending and being on the floor performing CPR on a manikin uninterrupted for at least two minutes.

Where will the training take place?

Training and Assessment will take place:

Pre-course activities: Pre-course study and assessment before arriving to class.

Classroom: Training and assessment takes place in a classroom and involves simulated first aid scenarios.

Assessment: Assessment includes written questions and observations using an adult and infant manikins, defibrillator and completing an incident report form.

What ARC Training provides?
