

TLI31216

CERTIFICATE III

IN DRIVING OPERATIONS

OVERVIEW

This qualification provides the skills and knowledge for an individual to operate within the transport and logistics industry – multiskilling as a professional driver in fatigue management, vehicle inspection, route planning, load restraint and chain of responsibility.

Work would be undertaken in commercial vehicles and completing tasks specific to the job role in NSW.

This course can be delivered in a flexible program of classroom training and self-paced learning activities.

QUALIFICATION CONTENT

Participants will need to complete eighteen (18) units of competency, six (6) core units and twelve (12) elective units for this qualification.

Keep in mind, one of our ARC representatives will be happy to discuss unit selection, recognition of prior learning and credit transfer.

Entry Requirements:

There are no entry requirements for this qualification. Student will be required to provide their USI and complete a language, literacy and numeracy test.

ARC Training has policies, procedures and information to help create a safe and healthy, culturally diverse, friendly and non-discriminatory learning environment.

Educational Pathways

On completion of this qualification you may wish to further your education by enrolling in any of the following qualifications:

- TLI41816 Certificate IV in Warehousing Operations
- BSB42015 Certificate IV in Leadership and Management

Where will the training take place?

Training and Assessment will take place:

Classroom – Training and assessment takes place in a classroom and involves discussions and activities.

Self-directed learning – read and study course material, research and review assessment in their own time.

Assessment – assessment may include written questions, projects, observations and third party reports.

What ARC Training provides?

We provide learning materials, assessment tools and a qualified trainer and assessor.

How long will the program run?

The duration of the course is up to 12 months.

Employment pathways

- Delivery driver
- Courier driver
- General freight driver

How much will it cost?

Subsidised Training: funding may be available for eligible participants under the NSW Smart and Skilled Program.

To be eligible for a subsidised place, you must be:

- an Australian Citizen, Australian Permanent Resident, Humanitarian Visa Holder or NZ Citizen
- 15 years old or over
- Living or working in NSW
- No longer be at school or equivalent.

This training is subsidised by the NSW Government.

Total student fee:

Exemption \$0 Concession \$240
