

# SIR50116

## DIPLOMA of

# LOGISTICS

### OVERVIEW

This qualification requires the self-directed application of knowledge and skills to manage the supply chain and the planning and selecting of appropriate equipment, services and techniques for individuals and the team.

This course can be delivered in a flexible program of classroom training and self-paced learning activities.

### QUALIFICATION STRUCTURE

Participants will need to complete fifteen (15) units of competency, two (2) core units and thirteen (13) elective units for this qualification.

Keep in mind, one of our ARC representatives will be happy to discuss unit selection, recognition of prior learning and credit transfer.

#### Entry Requirements:

There are no entry requirements for this qualification. Student will be required to provide their USI and complete a language, literacy and numeracy test.

ARC Training has policies, procedures and information to help create a safe and healthy, culturally diverse, friendly and non-discriminatory learning environment.

#### Educational Pathways

On completion of this qualification you may wish to further your education by enrolling in any of the following qualifications:

- ✓ TLI31616 Certificate III in Warehousing Operations
- ✓ TLI32416 Certificate III in Logistics

### Where will the training take place?
