## Child Safety Environment Compliance Statement

ARC is committed to the National Principles for Child Safe Organisations outlined in the Commonwealth Government's Child Safety Framework.

We provide a child-safe environments and organisational policies and processes to promote child safety and wellbeing.

We have taken diligent actions to ensure that workplace participants working with children on behalf of the Company;

- comply with all relevant legislation relating to requirements for working with children in the jurisdiction in which the activities are delivered; and
- comply with all relevant legislation in jurisdictions including any child-related schemes and mandatory reporting.

ARC is committed to ensuring the ongoing safety of children in the provision of its services and our compliance will be regularly reviewed to ensure ongoing compliance with the Commonwealth's Child Safety Framework.

Please refer to our Child Safety Environment Policy.
